## ACTIVITIES

### **Speech — *Activity***

February 2022 - PRESENT

One activity I enjoy is giving speeches. I once gave a speech before policymakers in the health industry at an event on the state of Latino health in Pennsylvania. My speech aimed to educate policymakers on how to address the issue of poverty more effectively. The speech was before around 200–250 people.

### **Student Government — *Member***

SEPTEMBER 2022 - PRESENT

Student government is an association where student leaders come together and discuss plans of action for student groups and the student community as a whole. I am in charge of leading group activities, keeping good relations, and managing events. This position has taught me to stay on top of important tasks, effectively communicate with my team, and manage and delegate tasks.

### **Photographer — *Assistant***

2019 - PRESENT

As an assistant photographer, I work with my father at social events and celebrations. To help my father in his work, I use a second camera to follow activities my father cannot capture alone. Set up lighting and managing customers, including giving advice, raising comfort levels, and posing.

### **House Prefect — *Leader***

SEPTEMBER 2022 - PRESENT

My school divides its students into smaller communities called houses.

## SKILLS

**Collaboration:** I communicate with my coworkers effectively and work with others to reach a favorable consensus.

**Leadership:** I often take the leadership position in groups such as group projects. When I do this I make sure to listen to my fellow members and take everyone's suggestions into consideration when collaborating.

**Organization:** I like to organize different areas of my life as well as keeping my workspace clean. I also like to track my own progress to keep my goals organized and consistent.

**Adaptability:** I am a flexible and open person who, although a fan of organization, can adapt to new environments and new people.

## LANGUAGES

English (Speech, writing,

Houses are responsible for cultivating culture within the house, providing service around the community, and competing in school-wide competitions. As a house leader, I lead around 30+ kids from 7th grade to 12th grade in reaching these objectives as a house. This position has taught me how to cultivate a positive community culture, effectively manage an organization, and organize community events. Additionally, this position has taught me how to adjust my approach when leading as I interact with members of different age groups and backgrounds.

## PROJECTS

### **Language Acquisition Club — *Founder and Leader***

The language acquisition club is a club I started where I led members in improving their language skills. I guide students to proficiency by teaching them about the language learning process and evaluating and encouraging their progress toward their goals.
